Providing care for those in Doncaster, Bassetlaw and beyond...

Doncaster and Bassetlaw Teaching Hospitals NHS Foundation Trust is one of Yorkshire's leading acute trusts, serving a population of more than 420,000 across South Yorkshire, North Nottinghamshire and the surrounding areas.

Hosting three main hospital sites and a number of additional services, the Trust is one of only five Teaching Hospitals in Yorkshire and by 2018 is projecting to train 25% of all medical students in the region, while we currently train 30% of all other healthcare professional students.

A modern and forward-facing Trust employing over 6,000 members of staff, the hospital provides a full range of local hospital services across the following sites:

DRI is a large acute hospital with over 500 beds, a 24-hour Emergency Department (ED), and trauma unit status. In addition to a full range of hospital care, it also provides some specialist services including vascular surgery. It has inpatient, day case and outpatient facilities.

**Bassetlaw Hospital in Worksop (BH)**

BH is an acute hospital with over 170 beds, a 24-hour ED and a full range of hospital services including a breast care unit and renal dialysis. It has inpatient,

day case and outpatient facilities.
