Child and Adolescent Mental Health Services (CAMHS) Intellectual Disability Team
The team work with children and young people up to 18 years old who have an intellectual disability and suffer emotional distress.

The team work with parents/carers, schools, health professionals, social care and short breaks and offer individual tailored advice and strategies to support the young person.

The team's main base is the Manor Academy in Mansfield Woodhouse, with clinics held in various locations across the County and City. All sites have parking and disable access.
