Clumber Court is a purpose-built care home which provides residential, nursing and dementia care. The home is set in peaceful surroundings next to the river in Retford, Nottinghamshire. Our modern building is designed specifically for the needs of our elderly residents and we have a very caring team who work hard to make everyone feel at home.

We believe comfort is the key to creating a home-from-home atmosphere and we pride ourselves on the quality and variety of our facilities and services.

From our comfortable facilities to our individualised person-centred approach to care and well-being, we are passionate about making those staying with us feel at home.

We understand the importance of choice and independence. The care and assistance we offer gives residents the freedom to do as they choose and peace of mind knowing that all the little things are being taken care of.

Whatever your tastes or requirements, we want you to feel at home when staying with us.

Our team are like family

Our talented team members each bring their own personality and passion for care to the home. Staff are committed to delivering care tailored to the individual

needs and preferences of each resident. We're here to make life easier.
