**Aimed at:** Older Adults 65+

Forest Hill Care Home in Worksop

A real home-from-home, Forest Hill is one of Barchester's high quality care homes in the East Midlands. Opened in 1996, the home was specifically designed to deliver first class nursing care for older people. We also offer support for those living with Alzheimer's disease or other forms of dementia on our Memory Lane Community, which is our dementia nursing unit. Our 32-bedded Memory Lane Community is a prime example of dementia care at its very best.

Our purpose-built specialist unit, the Portland Suite, first opened its doors in May 2012. Our capable and experienced team work towards supporting choice, change and independence for younger adults living with mental health needs and associated challenges. Offering 21 en-suite rooms, furnished to an exceptional standard, our aim is to offer a therapeutic environment intended to support each resident on their own individual pathway to well-being.

Please feel free to call in or contact us so that we can discuss what we can offer you.

Forest Hill Care Home at a glance

All the services and facilities on offer are designed to enhance residents' lives within the home. The care we provide is all about looking after their health and understanding what makes them happy. Please don't hesitate to ask our friendly

staff any questions you may have about the services we offer.
