Friends of the Earth England, Wales and Northern Ireland

We are part of an international community dedicated to protecting the natural world and the wellbeing of everyone in it. We lead campaigns, provide resources and information, and drive real solutions to the environmental problems facing us all.

We are committed to
a peaceful and sustainable world based on societies living in harmony with nature.
each generation enjoying an environment that's getting better; a safer climate, abundant nature, healthy air, water and food.
a growing and diverse network of people coming together to transform our environment into one which is flourishing, sustainable, and socially just.
