Themes:

Aimed at: Baby & Toddler Age 0-5, Children Age 6-11

Tiny Tots try to promote the positive, happy experience for outdoor play. Teaching children about the natural world and the environment around them. Having been shown to have both mental and physical health benefits in later life. encouraging future generations to care about the environment. The purpose of the group is to offer guidance, inspiration and knowledge of local events. We hope to create one big Tiny Tots nature loving family.

Area: Bolsover
