At the beginning of October, Retford Bridge Club invites club members to renew their membership, and payment of the annual membership fee is requested. Last year, with little prospect of playing Face to Face Bridge (F2FB), it was decided not to collect a membership fee, and to allow non-members to play on Realbridge as guests throughout the year.

Now, as we move towards a partial return to Face to Face Bridge, the Committee has decided to revert to its official policy on club membership—that is to say allowing guests to play up to three times in a year (October - September) as guests, and then asking them to enrol as club members and to pay the membership fee. The annual membership fee has been £20 for a number of years. This money can be gift-aided, which allows the club additional funds to support its ongoing costs, in particular with regard to F2FB.

However, given that a full return to F2FB is unlikely in the near future, the committee has decided to reduce the membership fee for 2021-2022 to £10. Table money for F2FB will remain £2 and the session fee for Realbridge will remain £1.50. It has been agreed to offer a 50% reduction on all fees for students U26.

We request that, where possible, membership fees are paid through bank transfer, referencing the payment with your surname plus 'Mem', for example: 'ABEL Mem'. Bank payment details are available on the website. Please contact

Roger Stock by email (roger.retfordbc@outlook.com) if you wish to make a joint payment of table money and membership fee.

New members should contact Keith Abel (secrbridgec@gmail.com) to request a membership form, which may be returned electronically or in the post.

Keith would be grateful if any member who does not wish to renew their membership could inform him as soon as possible.

NO FACE TO FACE SESSIONS RUNNING AT THE MOMENT

ONLINE SESSIONS RUN ON : Tuesday - 7pm - 9.45pm

Thursday- 7pm - 9.45pm

Wednesday - 2pm

Area: Bassetlaw
