Clarborough & Welham IT Group restarted Windows 10-based computer classes after Covid-19 lock-downs in June, 2021.

Lessons resumed w/c 13th September, 2021 at just £25 for five weekly 90 minute sessions. See link at the bottom for class dates right through to July, 2022. Please note: Wednesday classes have been suspended for the September-October 'slot' - please get in touch soon if you want to join our Wednesday classes starting 10th November.

Classes always start with 'Gardeners Question time' during which class members set the priorities for lessons.

If you'd like to book you place for any classes - get in touch with Greg on either 01777 700 918 or email clarboroughwelham@gmail.com
