Welcome to our Workshop Group

We're here to support you and your loved ones to live well with MS.

Whether you have MS, or care about someone who does, join our group to connect with other people from the community and share experiences. We don't want anyone to face MS alone.

From information on local services to opportunities to meet others in the area and more, our group is part of a large network of MS Society groups across the UK. We hope to meet you soon!
