North Notts College is a part of the RNN Group, a group of education and training organisations which also includes Rotherham College and Dearne Valley College. At North Notts College we provide courses and Apprenticeships for school leavers and adults including Higher Education and skills. We specialise in a technical and career focused training and education. We will provide you with high quality training including hands-on experience to develop the crucial skills you need for your future career.

At North Notts College you can study from entry level through to level 3 (Equivalent level to A-Levels) before choosing to progress on to Higher Education with us. We have campuses in Worksop and Retford.

Our technical courses and Apprenticeships will help you develop essential employability skills by involving you in challenging projects, practical work experience with employers and the chance to enter regional and national competitions, all supported by training in our industry-standard facilities from lecturers who are experts in their field.

We're here to support you with your next step, whether it's leaving school to get a technical or professional qualification, getting a job or going into business on your own, looking for promotion or a career change, or moving on to higher study or a degree.
