Monday 15th November 2021

Dear Colleague,

As you know I'm working on a refresh of the Health & Wellbeing Strategy. As part of this process, there will be a series of local Roadshows in each of the districts during November and December. The details of the Roadshow for Bassetlaw are provided below and your attendance at the event would also be much appreciated to represent the Board and hear the views of the people and organisations at first hand.

Event:	Date:	Venue:	Eventbrite Link:
Health and Wellbeing Strategy: Bassetlaw Roadshow	Thursday 16 th December 10.30 – 11.30am	Retford Town Hall, 17B The Square, Retford, Nottinghamshire, DN22 6DB	Book at Eventbrite

Everyone's health and safety remains a priority so our team will ensure guidance is circulated and will work with the venue to put measures in place for this Roadshow to minimise the risk from covid-19. There is an [online survey](#) and offer of virtual events as well, to give everyone the opportunity to tell us what they think about health and wellbeing in Nottinghamshire. If you would like to be involved or speak as part of this roadshow please let me know and I would be happy to accommodate this request.

If you have any questions or require further information please contact the Health and Wellbeing Board's Supporting Officer at briony.jones@nottscc.gov.uk.

Yours sincerely

Councillor Dr John Doddy
Chair of Health & Wellbeing Board
County Councillor for Stapleford and Broxtowe Central
Nottinghamshire County Council
