

Sortified

What do you need to live your best life in Derbyshire?

Sortified are working with Derbyshire County Council to find out what's most important for people in Derbyshire to live their best lives.

The Council understands that things have changed as a result of the pandemic.

It's important for them to ask people what they want in order for the Council to plan for the future.

We want to hear from as many people as possible, and there are lots of ways to get involved and for you to tell us what you think.
