

We want to find out where you take your child when they are unwell

This survey is for parents/guardians who have/look after children under the age of 16.

Healthwatch is asking people across Bassetlaw to take part in this survey to understand

where people take their children when they are unwell.

Gathering this information will help the NHS to ensure your child's health needs are addressed earlier and by the right people.

When we share our report it will not identify you or your family in any way.

Before continuing, we need to obtain your consent to collect and store the data you provide.
