

We want to find out if you use support services

Healthwatch is asking people across Bassetlaw to take part in this survey to understand what Health and Social Care support services you access. Gathering this information will help the NHS ensure more people get the support they need when they need it.

When we share our report it will not identify you in any way.

Before continuing, we need to obtain your consent to collect and store the data you provide.

I consent

What is your postcode?

Please tick which of the following support services you have heard of, and tick if you know what they do (tick all that apply)
