National Anti-Social Behaviour

Awareness Week!

‘Respect and Tolerate’

18th to 23rd July 2022

Bolsover District Council Community Safety Team are planning a ‘one-stop,’ multi-agency roadshow to highlight the already great work, that goes on within the district and we would love you to join us!

The aim of the week is to raise awareness of Anti-Social behaviour. We will inform you of the agencies involved, how to report incidents and the support available to victims. We will highlight the powers we, as agencies, have to use against those committing Anti-Social behaviour and the consequences of their actions.

We will do this by holding morning and afternoon drop-in sessions, throughout the District, to engage with members of the community. We will give a ‘goody bag’ full of all agencies leaflets and freebies, to anyone who comes to speak with us.

Please see the attached time table for where the events will be taking place. Could I ask that we have confirmation of agencies attending by the **10th June**? We will then arrange posters and social media to advertise the event. Please could you provide any relevant literature or freebies (I know we all struggle with getting them now!) by the **1st July** so we can put the packs together before the event.

	Monday	Tuesday	Wednesday	Thursday	Friday
10AM – 12:30PM	Pinxton Community Centre	Shirebrook Market Place	Co-op - Tibshelf	Creswell Event Centre	Tesco – Clowne
