About Get Grants

Get Grants are the grant funding experts. We provide practical support, training, information, and advice that fundraisers with all levels of experience can take away and put into practice. Our events bring fundraisers together to access friendly peer-support from our UK-wide Get Grants Community.

Over the last 10 years, we have directly supported groups to raise over £12 million in grant funding, benefited over 10,000 people at our free events, and trained over 3,000 people through our training courses and workshops.
