Summer Family Number Challenge

Something strange is happening. Codes are being changed, objects are being duplicated and riddles are being sent but who is behind it all?

Please help us !

This will involve learning about 2D nets and how they make 3D shapes, using different methods to solve clues and using time to find out quickly an object can duplicate.

Join one of the following sessions to see how you can help.

Location:

Worksop Library

Dates and times:

Thursday 3rd August 2023 at 11am-1pm

Monday 14th August 2023 at 9:30am-11:30am

Tuesday 29th August 2023 at 11am-1pm

All sessions are drop-in engagement sessions. You don't have to stay for the full 2 hours. Prizes will be given to children and adults (age 19+) can enter a prize draw by completing an engagement form to have the chance to win a £25 shopping voucher.
