

2024 Bassetlaw Apprenticeship Fair

Bassetlaw District Council in partnership with the North Notts BID, RNN Group, North Notts College and the DWP are hosting a 'pop up' apprenticeship fair on 8th Feb 2024 for the wider Bassetlaw Community.

We are keen to ensure apprenticeship and vocational training play their key part in the wider education mix and that young people, parents, job seekers and career changers have robust labour market information, understand the rapidly changing world of work, and are aware of the skills, attributes, qualities, and flexibilities our district employers are looking for.

The event will showcase local employers with both live apprenticeship vacancies and upcoming vacancies in the coming months. We hope this event will start the process of sharing this LMI and we welcome employers and stakeholder's engagement in this activity.

We are reaching out to offer 25+ spaces for employers to showcase their opportunities. The event will be actively promoted to schools, colleges and 6th Form, DWP Customers and social media/ press release to the wider Bassetlaw community. Based on previous events we would expect 250+ attendees.

5-11 FEBRUARY 2024 ————— #NAW2024

I ♥ APPRENTICESHIPS

The Bridge Skills Hub, Worksop, S80 1DT

8th Feb 2024 - Open 16:30 - 19:30

The free event is a great opportunity for you to launch your 2024 apprenticeship recruitment plans **plus** perhaps build some future connections for work experience, internships, volunteering and/or future job opportunities!
