

# Carers Roadshows 2024

## We need your help!

The Caring Roadshows in Nottinghamshire have been organised by Trevor Clower since 2013. They are marketplace events where services come together to share information for unpaid carers. They have grown over the years, capturing carers views and feeding into local service planning and design.

## Now we're entering the next phase, and we need carers to be involved.

Trevor is working with Nottinghamshire Carers Association to set up local groups of carers who will design and plan the 2024 Roadshows in their areas. We want the Roadshows to work for local carers and bring the best placed local services on board.

If you're interested in finding out more, please join us at one of our introduction meetings.
