

Carers Needed

Triangle of Care Peer Reviewer

Why we need you:

We need to ensure that our involvement and communication with Carers (and Families) of the patients and people who use our services grows and improves across all the services and support we offer.

As a Triangle of Care Peer Reviewer, you will be providing feedback and observations on the self-assessment our service teams have undertaken, to support them to make positive steps to develop and grow their inclusive approach to involving and communicating better with carers.

What will you be doing:

- Reading and reviewing the Triangle of care self-assessment
- Speaking to local services staff leads about the Triangle of Care self-assessment.
- Auditing information supplied and providing our feedback & observations

This role will suit you if:

- You are, or have been, the carer (close family member or friend) of someone who has been a patient or has used our services
- You like to read & review information, and like to feedback thoughts and ideas
- Have great communication skills to share your observations & reflections

What you can expect from us:

- We will make you feel welcome, included and valued
- You will get training, support & recognition for your contribution
- You can claim out of pocket expenses (for example travel - in line with our policy)
- We will keep you up to date on what's happening with the Triangle of Care development and the feedback you have provided

To find out more and get involved come along to our introductory meetings in association with Carers Space Notts

28th February 2pm – 4pm Duncan MacMillan House

15th March 12pm – 2pm Online (Microsoft Teams)

Alternatively, speak to the Involvement, Experience and Volunteering Team on 0800 052 1415

To book onto either session, please email carersspacenotts@nottinghamshirecarers.co.uk or call 07773 173708
