

A small helping hand for groups who are making a contribution to the well-being of the Worksop Community

**Worksop  
Rotary**

**Small Grant  
Scheme 2024**

Applications are invited from those who are working together for the benefit of the Worksop area and its people.

A grant of around £200 will be awarded to small groups who are working to make improvements for the people or environment of Worksop or the surrounding district

Applicants will need to describe:

- the impact their group has set out to achieve in or around Worksop;
- how they will manage the grant and its use;
- how they will know if this small grant has made a difference in achieving their objective.

**Further application details  
can be found on  
Worksop Rotary's News Page**

## The Worksop Rotary Small Grants Scheme

### **Are you a member of a group whose aim is to help in the Community of Worksop and its surrounding area?**

This Worksop Rotary scheme is designed to provide limited financial help to support the effort of small groups who contribute to the well-being of our Community.

It targets those groups who do not have the size and structure to apply for major grant funding. It is expected that those applying will have an organising group who will manage and report on how the grant has been spent.

Small grants (around £200) will be awarded by a committee of Worksop Rotary members drawn together for the purpose and successful applicants will be judged on the strength of their application against the criteria shown below.

#### **How to apply:**

1. Tell us the name of the Group:
2. Tell us the name, address, telephone number or e-mail of a person who will be the main person to contact about this application.\*
3. Briefly tell us what you try to achieve as a group:
4. Tell us how the beneficiaries of the group are identified:
5. Tell us what you are hoping to buy, pay for or achieve with any grant you receive.
6. Tell us as closely as you can what this will cost (how big a grant?).
7. Tell us how the grant will be managed and how you will judge the success of its use.

*\*personal details will be recorded for the purpose of this scheme only, will not be shared or retained for any other purpose and be destroyed on completion of each series of awards.*

#### **Criteria used to judge the application.**

- What impact does this group hope to have on people's welfare in Worksop and District? Are their objectives clear?
- How effective can this small grant be in making an improvement in the work of the group?
- How will the use of the grant be managed/assessed, does the group have a plan?

**Apply by letter** to: WORKSOP ROTARY SGS , BCVS, The Old Abbey School, Priorswell Road, Worksop, Notts. S80 2BU

**Apply by e-mail** to: [worksoprotaryclub@gmail.com](mailto:worksoprotaryclub@gmail.com)
