

Volunteer of the Year: Lyn Sharpe

Lyn Has been the chair of Dunham & District Village Hall for 16 years. The hall would close down without her at the helm.

‘Without Lyn, the Village Hall would have closed during the pandemic. she is always ready to help anyone out in the community, by giving lifts, or getting up early & going to bed late, to open and close the hall.’

Lyn

- ✓ Is retired, however, is at the hall every day and manages all the volunteers.
- ✓ Oversees all the maintenance, chairs all meetings and is well known locally, so knows who to contact for what.
- ✓ She organises when the hedges get cut, when the field gets cut and is often up a ladder, putting up flags or changing light bulbs.
- ✓ Enjoys volunteering and gets a real sense of self worth by being out in the community everyday, helping others.
