

Youth Worker

£13 - 15 per hour minimum 16 hours per week

Our TLC project supports young people struggling to engage with their education and learning who may be involved in anti-social behaviour in their community. Our Breakaway projects supports young people with learning disabilities to transition towards adulthood and the new challenges they will face. The successful applicant will help deliver group work and activity sessions in schools and community settings in **Worksop and Mansfield.**

We are looking for a passionate youth worker with either a Youth & Community Work qualification or demonstrable experience of working with young people, to work with vulnerable young people in the community.

We are looking for someone with a creative approach to providing support plans for a young person across their, home, school, college and community and engaging them in education and learning who is **willing to embrace our emotional education framework.**
