

Do you take a dynamic approach to problem solving, often thinking outside the box?
Are you interested in and want to support people to make differences in their lives?
Do you have a passion for working with people and building knowledge of the local community?

If so High Peak Community and Voluntary Support is seeking to appoint to the following position:

Social Prescribing Link Worker (Part Time - 22 Hours per week)

High Peak CVS is a charitable organisation that supports community and voluntary groups across the High Peak area of Derbyshire. An exciting opportunity has now arisen and we are looking to recruit for a Social Prescribing Link Worker within the team leading on Social Prescribing across the High Peak (excluding Glossopdale).

Building relationships with the Primary Care Network is essential and the main role will be to deliver a Social Prescribing service in the High Peak that will link patients referred from GP surgeries and external agencies with appropriate services and support from the voluntary, community and non-profit sector.

The successful candidate will report to the Social Prescribing Manager.

Previous experience of working in a charity and/or health care environment would be beneficial to your application but not essential.

This is a fantastic opportunity to play a key role for an organisation who do great work.
