Calling all Local IT Businesses

Want to Shape the Future of IT?

Offer a volunteer work experience placement opportunity!

North Notts College is seeking local IT businesses to provide valuable volunteer work experience opportunities for our talented IT students. By offering a placement, you can:

- **Discover Future Talent:** Find potential employees with fresh perspectives and skills.
- **Mentor the Next Generation:** Guide and inspire young IT professionals.
- **Strengthen Community Ties:** Support local education and development.

Interested in offering a placement?

Placements would be available for 1-2 days per week
