## WE ARE HIRING!

### Head of Income Generation and Communications

Are you passionate about making a real difference to people and communities. Do you have the creativity, passion and drive to successfully lead a wide range of fundraising initiatives. Then we have the job for you.

We aspire to grow our services and our income, and this new role is fundamental to our success. Leading the design and implementation of our Fundraising Strategy you will help shape our approach to fundraising.

Working across three sites you will provide operational support, strategic planning and effective event management.

It's an exciting time to join a dynamic senior leadership team, whose mission is to support the most vulnerable in our community and deliver exceptional services.

In partnership with National Lottery Heritage fund, local government, The NHS and voluntary sector we have successfully delivered an ambitious £2.3 million capital plan. As a registered charity we deliver a unique service that is built on the assumption that access to, and engagement with heritage boosts wellbeing and we provide support for people affected by cancer, long-term health conditions and the local community.

As we enter a new strategic period, we are looking for a driven ambitious leader who is ready to take on a new challenge. Join us and be part of a dynamic team our mission is to deliver exceptional services. Recognised as a centre of excellence we aim to be the go-to organisation for heritage and health.

Closing date - 30th November
