

Welcome to 'A Little TLC' ... **Tackling Loneliness Collaborative's** 'useful community information!' – **28th November 2024.**

Please feel free to have a glance through the headlines or see further details further down.....

Can I say a huge 'thank you' to everyone who supported our first Tackling Loneliness Conference ***"Putting loneliness on the map in Nottingham and Nottinghamshire"*** at the ICCA in Nottingham.

It was wonderful to get such a mixture of people together with so much enthusiasm and passion to try and make Nottingham and Nottinghamshire even more connected.

We had some great thought provoking research and conversations. A report on the conference will be available soon.

The photos will be added soon. In the meantime, here are 4 photos from the day and a link to the presenters slides. <https://www.bcvs.org.uk/tlc-conference>

Update:

The TLC Website – thank you to everyone who has contributed so far!
Content is being added and the website will be 'live' before the end of the year!

If you want to add any stories or photos too – please send them in to me.

The Friendly Connector – again, thank you to everyone that has commented and is keen to support this signposting model.

This will be piloted before being rolled out. As it is linked to the TLC website this will be launched in 2025!

The next TLC meeting will take place on Tuesday 14th January – 9:30-11am. An agenda will be sent out before.

2.

Nottinghamshire Healthcare NHS Foundation Trust would like to invite patients and carers to our **'Shaping our Future Together'** Event on Tuesday 17th December 2024. We'd be grateful if you could share the attached information with the people who you are in contact with, along with a poster which can be displayed where suitable. We have also provided an invitation template that can be used to invite patients and carers to the event.

Please note that this event is open to people who are using our services at Nottinghamshire Healthcare, their carers, families, and friends, currently or in the recent past. This event isn't for the Voluntary or Community sector to attend in their organisational capacity, as we will be hosting a range of events in the new year where we will be inviting you to get more involved.

More information about this event and 'Our Big Plan' can be found on our [website](#).

NHS
Nottinghamshire Healthcare
NHS Foundation Trust

“**Our BIG Plan**
Shaping the Future
Together”

Event: Our Big Plan: Shaping the Future Together
Date: Tuesday 17th December
Time: 11am – 4pm
Location: Mansfield Civic Centre, Chesterfield Road South, Mansfield,
Nottinghamshire NG19 7BH

This is the first in person event that Nottinghamshire Healthcare has held for patient and carers, a unique opportunity to:

- Get updates on the Big Conversation activity and the Trusts Improvement Plans
- Discover opportunities for patients and carers involvement in the Improvement Plan
- Share in the progress and learn about positive activities and actions underway
- Explore how your voice can shape our approaches moving forward

The event will bring together our Executive team, Project hosts for elements of improvement plan, current volunteers, Involvement partners, patients, and carers from across Nottinghamshire Healthcare's services. Together, we aim to establish an ongoing programme of Involvement events and activities, including an annual in-person event.

[Our vision for funding in England | The National Lottery Community Fund](#)

[Funding](#) > [Funding programmes](#) > [Our vision for funding in England](#)

We're setting out a bold new vision for how we'll support communities across England. We're putting community agency, power and control at the heart of our funding in England. And we'll distribute at least £3 billion of life changing funds by 2030.

We'll be making changes across all our funding in England from spring 2025.

These plans respond to what communities and third-sector organisations in England have told us is important to them.

Right now we are looking for partners for the development phases of three new approaches:

- [Community Power Fund](#)
- [You Decide funding](#)
- [Grant Holder Support](#)

These approaches will focus on increasing the voice and resilience of communities and the organisations that support them. They'll support communities to build power, influencing the decisions that affect them, and deciding where money and support should go.

Area: England

Our funding in England is changing - here's what you need to know

At The National Lottery Community Fund, we believe everything starts with community. Today, we are sharing our plans for how we'll put community agency, power and control at the heart of our funding in England - investing at least £3 billion of life-changing funds by 2030.

We're committed to working hand in hand with communities like yours to build a fairer, stronger society.

To find out more about the future of our funding in England, visit our website. [Our vision for funding in England | The National Lottery Community Fund](#)

6. Session on how to connect in Mendip

[Let's Connect Information Sharing Session- December Tickets, Wed 4 Dec 2024 at 10:00 | Eventbrite](#)

Health Connections Mendip often receive request for information sharing. We have created this one hour session to share a brief background to our service with a focus on our current Let's Connect training and projects.

Anyone is welcome to attend. The presentation covers

- The background of the Health Connections Mendip service including the role of Health Connectors (Social prescribing link workers and Health Coaches).
- Information about our online directory and resource centre.
- What our key access points for information, support and opportunities are.
- An outline of the Community Connector work and the additional Connector roles such as Green and Digital Connectors.
- Details of our Let's Connect projects- such as the Talking Bench, Postcard project and Town Cooks
- How we've worked with the community to deliver a shared project.
- Time to ask and answer questions.
