Agenda & Minutes		
Welcome & Introductions	Everyone welcomed and introduced themselves along with	
Purpose of Meeting	organisation supporting for the meeting	
Purpose of Meeting	SM explained how its been an emotive subject as the funding cuts have hit the sector hard and by cutting preventative services, will not	
	be beneficial in the long run. During the decision process form DCC in	
	the cabinet meeting, no one was allowed to speak or respond to	
	decisions being made.	
	SA – suggested a few months ago to start looking for funding and	
	within their members, at least 4 have lost £100k a year. SA suggested	
	applying for small pots of funding rather than a larger pot as these	
	are becoming extremely difficult to be successful on. Reaching community pot was only 8% success rate. The lotto community	
	funding has been paused until Spring 2025. The cuts are affecting the

most vulnerable and these are the ones without a voice which can be heard. EC explained how BWE will lose £188k from 1 st April 2025 and shared how parents / carers' are confused in what services they will be able to access. CF – unless we challenge through high courts, this decision will not be over turned, so we need to find ways of moving forward in this difficult time. DJ- maybe its about coming together to show strength SM – has some funding opportunities, which will be reviewed and the appropriate ones to be shared within the next week. HT – there is a lot of grant funding about and maybe people are struggling ith time to complete if a small charity / group. Is it about being sustainable now – how to raise funds, improve support through social media, bring people or larger organisations to the awareness of fund raising? SA – has delivered training on grant applications and is happy to offer this training to be delivered within the Bolsover district. SA does grant finder and sits on EM funders making him a good link with potential grant opportunities. SM – reminder that BCVS offer Plinth training to make SM aware Reviewing the short, medium and long term. We will have another emergency meeting next Wednesday 11 th December, to share this again and engage in those who couldn't make this morning. If anyone needs support or discussions please contact the Bolsover CVS term: Steve Morris, Jo Carr, Claire Morton, Katie Knowles or Clare Kinsella.
