

## **Green Generation Champion**

Are you passionate about the environment?

Do you live in Bolsover District?

Are you 18 – 25 years old?

Volunteer with Bolsover Community Voluntary Service as a Green Generation Champion.

You'll be helping us develop a sustainable, inclusive and healthy community and voluntary sector in Bolsover District by:

- Engaging with community and voluntary groups on improving sustainability practices in their community hub.
- Sharing your knowledge and passion for environmental sustainability.
- Creating sustainability action plans with community and voluntary groups.

We'll support you throughout with the training and local insights needed.

We'll connect you with community and voluntary groups wanting to take part.

Which Sustainable Development Goals does this volunteer project work towards?

- 9- Industry, innovation and infrastructure
- 11 – Sustainable cities and communities
- 12- Responsible consumption and production
- 13- Climate action
- 15- Life on land

How to volunteer:

Contact the Green Generation team to express your interest.
