

Freedom - Cherished Clothing

Do you love fashion, the environment and are aged 18-25? Then this opportunity is right for you! Freedom charity have a secondhand clothes shop open Monday to Friday 9am – 12pm. Volunteering here is flexible and you can choose what day suits you best. Buying clothing secondhand has a big social and environmental impact. Not only is it more affordable in times of need, it also helps to reduce carbon emissions, waste and use of natural resources. Reusing secondhand clothes also helps to prevent them from ending up in landfills. Cherished clothing offers hands-on experience working within a used clothing shop.
