

LIVE & LOCAL

BRING THE MAGIC OF
LIVE PERFORMANCE
TO YOUR COMMUNITY

BY BECOMING A LIVE & LOCAL PROMOTER

Live & Local has been working with communities across the Midlands for over 30 years, helping them bring great quality professional entertainment to their local venues.

You just need a community venue and some enthusiastic volunteers to create a great night out on your doorstep.

Here at Live & Local, we raise the funds from Arts Council England and your local authority to ensure that performances are subsidised and that there is little or no financial risk to community promoter groups.

“Being part of the Live & Local network has enabled us to bring high-quality musicians that we would not be able to afford otherwise to our small venue. The whole process is simple and support is available all the time.”

“Live & Local brings things to our community that we would never normally get a chance to see.” - Promoter

We pull together a fabulous menu of tried and tested professional music, theatre, dance, spoken word and family shows for you to choose from. In some areas, we also offer outdoor entertainers and a film scheme.

Our promoters put on shows in a wide range of venues including village halls, community centres, libraries, churches and pubs.
